BID SPECIFICATIONS

The vandal proof recessed ceiling housing shall be a Panasonic model PIDV7CN, PIDV7SN or equivalent. The housings have been designed and engineered for Panasonic's WV-CS584, WV-SC588A/387A/385/384 cameras. The back box shall be constructed from .08" thick aluminum and be capable of being installed in its entirety from below the ceiling. The steel top will measure 6.75" (h) x 11.18" (d). The lower injection molded Polycarbonate dome shall be available in clear or smoked material. The PIDV7SN includes a smoked lower dome and the PIDV7CN includes a clear lower dome. The lower dome shall be made from injection molded Polycarbonate, and held in place by a heavy-duty aluminum trim ring. The product shall be designed to be installed in either sheetrock or drop ceilings. Three spring clips will allow for adjustment to the ceiling material thickness.
