

# Comparison Data Sheet

The New Video Insight 7 is our biggest release ever. Redesigned from the ground up to provide enhanced performance and stability, maximize scalability and offer new premium functionality for key vertical markets. VI 7 is aimed at making the entire video management suite more intuitive, more powerful and easier to use.

Below is a comparison between version 6.0 and version 7.0.

| VIDEO INSIGHT VERSION   | VERSION 7 ENTERPRISE        | VERSION 7 EXPRESS        | VERSION 6           |
